Dear Lara,

Thank you for your recent application to raise funds for the Leukaemia Foundation by organising an online art auction during the month of November 2017.

All funds raised will help more people to survive a blood cancer diagnosis and go on to live a full life. We are committed to investing in research projects which focus on improving patient outcomes and providing free accommodation and support programs which aim to reduce the emotional impact of a blood cancer diagnosis.

This letter confirms that the Leukaemia Foundation has approved your application. This approval is subject to following the Leukaemia Foundation's Application to Fundraise Guidelines and the Application to Fundraise Terms and Conditions.

Your fundraising activities for Leukaemia Foundation should stay within the Leukaemia Foundation's community standards and values. If in doubt contact your Community Fundraising Officer for guidance before planning your fundraising activity. The Leukaemia Foundation reserves the right to withdraw your application at any time if it appears that your fundraising activities could have a negative effect on the image or reputation of the Leukaemia Foundation.

The Leukaemia Foundation bears no financial responsibility nor provides insurance cover for this event.

Community Fundraising Officer, Lauren Maidens, will be available to offer advice when required. Please feel free to contact Lauren on 07 3318 4457 or email: lmaidens@leukaemia.org.au.

This authority expires on 1 December 2017.
